

HOW TO TIE A

FULL OR DOUBLE

WINDSOR

1. Start with the broad end about 12 inches below the narrow end. Cross the broad end over the narrow end.
2. Bring the broad end up through the loop around your neck.
3. Bring the broad end back down, then under the narrow end.
4. Then bring the broad end back over the narrow end.
5. Then pull the broad end back through the loop around your neck.
6. Hold the front knot loosely and bring the broad end down through the front loop.
7. Finally, tighten the knot carefully to the collar by holding the narrow end and sliding the knot up.
